TRAIL

This month's trail we tackle the Southpointe & Tierra/Williamsburg Trails and new this year the newly opened Yankee Hill Trail expansion. The Tierra/Williamsburg Trail is a fun neighborhood trail where you'll see ducks and geese enjoying ponds and water drainage canals. Take extra care when crossing Old Cheney.

New this year you can ride the Yankee Hill Trail from 27th all the way to 52nd Street. At this point Yankee Hill doesn't connect to a trail on the east side, but soon we will see a connection which will make a nice loop back to the Boosalis Trail. Possibly this connection will open in 2023.

START SOUTHPOINTE TRAIL - 1.96 MILES

We recommend starting at 14th & Pine Lake by Southwest High School - you can park there.

Travel from S. 14th ST & Pine Lake RD passed Scheels into a neighborhood to join the Tierra/Williamsburg Trail.

The trail winds behind Union Bank on 27th ST where you will cross to continue on the trail towards Scheels.

TRANSITION TO TIERRA/WILLIAMSBURG TRAIL

The South Point Trail meets the Tierra/Williamsburg Trail in a neighborhood just east of South Pointe Mill. There's no parking at this transition area.

TIERRA/WILLIAMSBURG TRAIL - 3.52 MILES

This trail runs from Yankee Hill to 27th & HWY 2. If you start at 27th & HWY 2, you'll cross the highway on a bridge, then see the sign below.

Parking: We recommend starting at 27th & HWY 2 and parking in the lot near Arby's. There is an access to the trail from this parking lot.

Left turn on to 27th Street.

The trail crosses Old Cheney Rd. Be sure to look both ways and use the island to cross safely. This is a high traffic area.

The trail continues to 36th & San Mateo Lane. You'll take a right to continue on the trail pass Cavett Elementary.

The trail goes passed Cavett Elementary through the neighborhood until you reach Yankee Hill Rd. There's not a good place to park at the end, but you can park in the Target lot just off 37th St and walk west up the Yankee Hill Trail.

YANKEE HILL TRAIL 1.67 MILES

Yankee Hill road is open and includes an expanded trail. You can either walk east or west to finish off this months route. The trail begins at the corner of 27th and Yankee Hill and continues to the round about on 56th Street. Pictures coming soon to help you.

Stay safe, active & healthy. We look forward to seeing you on the trails!
